**Name:**  
Cicciomessere, Silvia

**ID:**  
—

**Requisition # / Misc:**  
—

**Office:**  
—

**Test:**  
Portuguese (Brazil) Listening & Speaking Test -  
General

**Administered as:**  
Automated Telephone Test

**Overall Score:**  
11 - Superior Minus

**Test Date:**  
September 3, 2020

**Comments:**

**Comprehension:** The candidate understands a wide range of speech at any speed. Any comprehension issues that occur are with highly specialized topics.

**Communication:** The candidate expresses most ideas clearly, hesitates rarely, and makes only occasional errors in usage.

**Grammar:** The candidate uses grammar close to the native speaker's level but with minor errors with complex structures.

**Vocabulary:** The candidate displays a broad range of vocabulary; any errors in word choice are minor.
